Dear Parents,

Throughout the year your child has worked hard to build a strong foundation of English & Language Arts skills. This summer packet is designed to help your child practice and retain key reading and word skills that will help them as they prepare for the next grade.

I have enjoyed teaching your child this school year. I am proud of the progress the students have made. See you next year! Remember to always start a sentence with a capital letter and end with a punctuation mark.

Beach Day Reading Comprehension

Read each passage. Color a star for each time you read the passage.

I am so excited! Today, I'm going to the beach with my family. I jump out of bed. I hurry to get dressed and eat breakfast. At the beach, I'll see all kinds of animals. Crabs! Dolphins! Maybe even a shark! I will be able to do so many fun things! I can build a sandcastle, swim, and go scuba diving! I grab my beach bag and rush outside to the car. When we arrive at the beach, I open my beach bag to find my sunscreen. Oh no! I forgot it! We won't be able to stay at the beach! I won't see crabs, dolphins, sharks, or any other kind of animal! I won't be able to do fun things! I can't go to the beach without my sunscreen! But wait! I see Mom open her beach bag! What does she have? A huge bottle of sunscreen! Now, I can go to the beach! It will be so much fun!

Answer each question. Then, color the parts of the story listed below.

1. Where is the family going today?

2. What will we see at the beach?

3. What important thing was forgotten at home?
