

Financial Assistance

Financial assistance and scholarships are available for students entering Kindergarten and new students entering grades 1-8. Pre-K is not eligible for financial assistance. Our goal is to ensure that no child is denied a Catholic school education due to financial constraints. The Archdiocese of New York and its Parishes, Inner-City Scholarship Fund and Children's Scholarship Fund are making new scholarship awards and financial assistance available to qualifying families.

Every year, we help make Catholic Schools more affordable than ever through expanded Financial Assistance programs. This is a suggested guideline of incomes used when determining financial need:
