

## Why Enroll your Children in St. James the Apostle School?

These are challenging times for our children. We are up against a world that causes us to explain things we never thought we needed to. As we look at generations that came before us, faith was one thing that got families through their troubles. Our foundation of faith at St. James is rich in values.

Accountability, compassion and service to others is ever present. Our academic standards at St. James School are high. Without our faith and strong values, it becomes almost impossible to weather the world before us.
