## SPOTLIGHT ON THE FUN IN FUNDRAISING

On behalf of St. James the Apostle School, I would like to take the opportunity to thank our families, our parishioners and our community for continuing to support our school. During the month of November, our Annual "Fiesta" Card Party and Wicked Tickets fundraiser were held. Both fundraisers, once again, were very successful because of you.

For those who don't know what a card party is, I can tell you this, it doesn't have anything to do with playing cards ☺. The night is filled with laughs, food, prizes, family and friends. Raffles are pulled all night long with prizes ranging from a gift certificate to a weekend in the Adirondacks. Look how thrilled Mrs. Nix is winning a gift certificate to Stew Leonard. As the mom of six beautiful children, I'm sure the gift certificate will be put to good use.

8<sup>th</sup> grader, Olivia Preza, picked our winner.

Congratulations Anthony Tillery on winning two tickets to see the play Wicked.

Enjoy the show!
